

## DUAL CREDIT – ESTHETICS PROGRAM – TERRACE FEBRUARY TO JULY 2018

As a student in the NWCC Esthetics Program you will learn the latest industry techniques for a wide range of treatments through the Pivot Point Curriculum. Students will cover topics such as skin care, facials, hair removal, make-up design, face and body treatments, and massage. Students also learn about the salon business, professional development and personal development.

This is an 800-hour program that combines the theoretical and practical Esthetics skills – with 300 classroom hours and 500 practical salon hours. Students will be prepared to write the *BC Beauty Council* exam upon completion of the program.
